

## Errata

Due to mistake during the type setting process, authors name for the article titled "**Benign Subcutaneous Emphysema of the Upper Limb: A Case Report**" (SM Rabiul Islam, KG Mamman, KC Pande), Page 39-41 was published wrongly in the content page for November 2016 issue of MOJ, printed version. We were able to correct the problem for the online version of that article published in the MOJ homepage.
